

Please use the list below to ensure you have everything in place for your child before completing a referral form.

1. Have you spoken to parents?
2. Have you spoken to the child?
3. Has the child been observed both at work and play by the school SENCo/INCo?
4. Has the school spoken to their Educational Psychologist about the child?
5. Is the work set at an appropriate and achievable level?
6. Have you considered MAST therapy – art, play, drama or counselling?
7. Does the family need support - Family support worker, Gateway, PSA, Incredible Years?
8. Has the school thought about altering the child's timetable to minimise trigger points?
9. Is there a record of work that has already been done to support this child/family?
10. Have academic interventions been considered to remove barriers to learning?
11. If appropriate have medical professionals been involved – speech and language etc?
